SGS SPORTS ACADEMY:

As you all are aware that SGS Cricket academy was founded by Sri Arnav Saraf, the Vice President of our school on the 13th of October 2016 with an objective to impart modern cricket coaching with a meticulously integrated cricket pathway to enable the passionate aspirants right from an early age of 5 years onwards.

The academy has got a good response from the parents and students. Mast. Yeshwanth , our student was selected for the state team and got admission into sports school run by the government of Andhra Pradesh.

Worth mentioning here are Master BGSR Patnaik and Ms L Harini, both of class 10 who have received a bronze and silver medals at state level in wrestling. Master Patnaik and Master T Chandrasekhar of class 9 have been selected for sports school at Pulivendela, where they are given free education along with coaching in sports. I would like to congratulate all these kids. During this academic year, the school expanded its sports activities by transforming the cricket academy into sports academy with the initiative taken by our vice president Sri Arnav Saraf. Besides Cricket, coaching is being given in other sports such as kabaddi, volley ball, wrestling, shuttle badminton and hand ball. Recently karate has been introduced.

All the students of the school are involved in either of these sports activities by making it mandatory as a part of the curriculum. The academy is managed successfully under the able guidance of Sri Harendra Singh, the new sports director of the academy, who also happens to be a great karate champion and has been a coach for our Vice President too. We have 3 coaches and 2 PETs monitored by the sports director and the Principal.

CONCLUSION

To conclude, this year, we all took more collective steps towards our vision and many more are to go, and it is certainly achievable with the continuous support and guidance of the magnanimous management and the virtuous parents. Thank you all for your patient hearing.
